2nd Grade News

RELIGION - 2nd

We will be working on Chapter 20 - *Jesus Gives Himself at Mass* (pp. 149-154). We will focus on the words that the priest says as the bread and wine become the body and Blood of Christ. Quiz on Thursday, May 31st.

READING-2nd

We will continue reading and listening to the story "*Ramona Quimby, Age 8*" by Beverly Cleary. We have been working on many activities that relate to the story. Please be sure to check out your child's work that is sent home. Once we finish the book we will be watching the movie! Next week we will be writing about a time when you were sick and stuck at home.

MATH - 2nd

We will now be working on a mini unit, learning about the various types of graphs (bar and picture). We will also be working on some 3-digit addition and subtraction. Remember that our Math Mastery Test is each Tuesday morning.

SOCIAL STUDIES - 2nd

We have started on Lesson 10 - *How Did One Community Change?* (PP. 118-133). We will be learning about San Francisco, California and what events changed this state over time. **The vocabulary words for this lesson are: earthquake, future, past, present, primary, source, and timeline.**

SCIENCE - 2nd

We will start *Chapter 11 - Light and Heat* (pp. 354-387). **The vocabulary words for this chapter are: energy, heat, light, sound, solar energy, electricity, reflect, friction, temperature, and thermometer.** We will be learning about different forms of energy, where energy comes from, and we will be discussing heat and light.

SPELLING - 2nd & 3rd Grade

No Spelling Test next week.

3rd Grade News

READING-3rd

We will continue reading and listening to the story "*How to Eat Fried Worms*" by Thomas Rockwell. We will be working on facts vs. opinions and writing a recipe for worms! We will have quizzes and a final test at the end of the book.

MATH - 3rd

We are moving into Chapter 11 - Perimeter and Area. We will learn about finding the perimeter of various geometric shapes, and we will also find the length of an unknown side (beginning algebra). Please continue working on your multiplication and division facts each evening. Remember that our Math Mastery Tests are given each Tuesday afternoon.

No Spelling Words or Test. We will be reading from Chapter Books!
